

Warringal Walk-In Injury Clinic: FAQs

When is the clinic open?

Our Injury Clinic is open between 12pm and 6pm on Saturdays and Sundays from March to September.

Where is the clinic?

The Injury Clinic operates out of the Warringal Private Hospital Day Surgery Centre (Suite 13 – Level 3) at 216 Burgundy Street, Heidelberg. This is on the opposite side of the street to the Austin Hospital.

Do I need an appointment?

No, appointments aren't required, it is a walk-in service.

Who do I see?

Your injury will be assessed by a Physiotherapist who is experienced in working with sports teams and acute injury management. They can also offer plastering if required, with MIA radiology available onsite for X-Rays.

How much will it cost?

The consultation will cost \$120 and you will be able to claim your private health insurance rebate online after the consultation. The gap between this fee and your rebate will depend on your private health cover.

Any required X-Rays will be billed by MIA Radiology. While most X-Rays have Medicare rebates, there will be a gap between the X-Ray fee and the rebate provided (amount will vary depending on the body part X-Rayed).

Can I ring ahead if I have further questions?

If you would like to speak to someone at the Injury Clinic, call 0408 134 754 between 12pm and 6pm on Saturdays and Sundays from March to September
